DEDICATION

A long-awaited dream became a thrilling reality this year when the first football game of the season was brightly illuminated by our fine new football lights. The students of Analy Union High School would like to express their appreciation to the Sebastopol and Guerneville Rotary Club members who obtained the necessary funds so rapidly; to Mr. H. L. Hotle, president of the Lighting Fund Inc., for his leadership and untiring efforts; to Mr. L. A. Duffield for his enthusiastic help; to the custodian staff of our school for their assistance; to the generous contractors who reduced their prices in order to aid the project; and to the many public-spirited citizens of our community who purchased lighting fund certificates. The efforts and generosity of these people have made it possible for Analy Union High School to have the most modernly lighted football field in Northern California, and to them we dedicate this book.

PROLOGUE

When seniors arrive at the end of their four year sojourn in high school, they often ask the question, "What now is my part in the scheme of things?"

You can help to distill some of the good out of the present world condition. One result may be that in your time you will be able to control this human plague called "War," just as men of our time controlled the yellow fever. You may help to erect a world order in which it will never be possible again for one man's wickedness to become all men's curse.

Your own country—thanks to the fathers who built it—is intact. Never at any place, at any time, have any people developed so free a life as your people have developed in America. And, with their original principles, they could develop it anywhere on earth, if they had to. There are many who tell you that your country is imperfect, and it is, as the orchard in blossom is imperfect compared to the orchard in fruit. And in unreflective minds this often gives rise to a demand for radical change. Radical, violent change is the word of the destroyer who would burn the orchard down because blossoms have not yet become apples, and it is the "escape" of the weak-minded who would avoid the labor of cultivating the orchard. America's ruling word in her creative days was not violent change but development. Let the orchard grow and fulfill itself in fruit; give the fertile American principle room and the time, and an educated free electorate, and it will abundantly justify itself.

This is where you fit into the scheme of things.

Principal.

PRODUCERS

There is no greater public service than that rendered by the board of trustees of any public school. The school which we have at Analy today is due in a very large part to the public-spirited men and women who are serving now, and who served in the past as trustees. The board of trustees is the policy-making body of the school. It is the function of the administrative staff to carry out these policies. The board, elected by the public, serves for a three-year term of office. Their legal authority comes from the state constitution and the education code. Their decision on school matters is final.

Mrs. Gladys M. Brown, Guerneville, is president of the board and has served on the board since 1946.

Mr. Donald M. Scott is clerk and has served since 1948.

Mr. Burton M. Travis has served on the board since 1939. He has held the office of clerk and president for several terms.

Mr. H. L. Hotle was elected in 1946 and has served as clerk for several terms.

Mr. Lawrence Carrillo has served since 1947.

SENIOR CLASS HISTORY

At the end of each high school year, a class of seniors in caps and gowns receive their diplomas. For three years we have watched graduation, but this year it is different. We are the class in caps and gowns on the stage. After four wonderful years of study and fun, it is our turn to graduate and leave Analý—to go on to college, to enter the service of our country, or to earn a living.

We have been a busy class this year, beginning with the senior-faculty basketball game on November 30th, which we won easily, 48-38. Harold Tillinghast, student body vice-president, organized the game and the dance which followed.

Our Senior Dance, December 8th, was a real success. The theme, "Snowball" was well carried out by the senior president for the fall semester, Ron Crawford and his committee: Dick Ament, Gaea Freimund, Marilyn Taber, Henry Bohn, Ellen Searby and Pat Drummond.

We think everyone will agree that the senior play of 1951 "Strictly Formal" was one of the best. On April 6th the confused plot, funny lines and fine acting appealed to all who packed our auditorium. The play was based on the efforts of several girls to get dates for their prom. The cast was chosen by Mr. Coenen and expertly directed by Mrs. Miller. It included Valerie Saput, Dorothy Canelis, Marilyn Taber, Rod MacKenzie, Sylvia Henningsen, Harold Tillinghast, Virginia New, Ron Perry, Dave McLean, Jackie Scheuer, Dick Gambogi, Bob Perry, Glorya Lund, Mary Whelan, Clarice Miller and Gladys Ginesi.

Old Clothes Day, April 27th, brought the seniors to school dressed in costumes of the "Gay Nineties." The student body thoroughly enjoyed the program presented to show off the amusing and original ensembles.

On April 30th when the students took over the school and town government, it was the seniors who managed the "revolution." Under the leadership of student body president Harold Tillinghast, the seniors elected the following as city officials: mayor, Ron Crawford, and councilmen, Don Starr, Marilyn Taber, Rod MacKenzie and Larry Clark. Principals Harry Batlin and Henry Bohn and vice principals Wayne Collinsworth and Ron Perry ruled the school office.

We all enjoyed the feast at the senior luncheon, May 8th, in the Masonic Temple.

Swimming at Big Sandy Beach in Monte Rio made our senior picnic on May 18th the best school day we've ever missed.

We thank the juniors for the wonderful prom they gave us. "Moonlight and Roses" was a super theme and they did a fine job with it.

With baccalaureate June 3rd, graduation June 8th and the graduation dance we finished four years at Analý which none of us will ever forget. We appreciate all that our friends and teachers have done to make our years at Analý fun as well as worthwhile.

JUNIOR CLASS HISTORY

At the beginning of the 1950-51 school year, there were nineteen members of the junior class in the California Scholarship Federation.

Class rings were ordered the first part of the school year, and were received in January.

Every year, representatives from Analy attend Boys' and Girls' State in Sacramento in June. The girls chosen this year were Roxie Frazier and Karin Beskow, and the boys were Tom King and John Ratcliffe.

In the "mental strain" departments, prizes for the best essay on "Freedom's Open Door" were awarded by the American Legion. First prize winner in this contest was Beverly Warner. Barbara Barborka and Joanne Leland tied for second prize.

Although the senior girls usually win the prize for the best skit at the Girls' Jinx, this year this "record" was broken by the juniors. The prize-winning skit was called "Cinderella" and was really hilarious.

In the Scholastic Art Awards Contest, sponsored annually by The Emporium in San Francisco, several Analy students won prizes of gold keys. The juniors who received them were Rose Logue, Frieda Wetch, and Etsuko Akutagawa.

The biggest event of the year was the junior-senior prom. The theme was "Moonlight and Roses," and was held on May 25. All the juniors worked hard to make it a big success.

FRESHMEN CLASS HISTORY

The students in the class of 1954 received their first taste of high school social life at the Freshmen Reception on September 28, 1950 when the sophomores and faculty welcomed them to Analay. The dancing and refreshments were enjoyed by all.

The main activity for the fall semester was the election of officers. The following were chosen to represent the class: Don Ament, president; Peggy Rock, vice-president; Claudia Gonsalves, secretary-treasurer. The officers for the spring semester were president, Don Ament, vice-president, Ken Taber and secretary-treasurer, Verda Doty.

Freshmen who distinguished themselves by becoming members of the C. S. F. were: Phoebe Allen, Jean Helmstein, Glenn Howard, Edward Knight, Raymond Sandretto, Agnes Shideler, Lois Veazey and Carol von Metnitz.

Representatives from this class who worked on the committee to organize the school clean-up campaign were Don Ament and Ken Taber.

This year's freshmen class is proud of one of its own, Phoebe Allen, who won second prize in the National Wildlife Federation Art Contest, junior high school division.

C. S. F.

To become eligible for membership in the California Scholarship Federation, a student must have three "A's" and one "B," or two "A's" and two "B's" with two activity points to make up the ten required points. A student becomes a life member after having earned membership for six or more semesters, one of them in the senior year. A student becomes a novitiate member after having earned membership for four semesters, including one in the senior year.

The C. S. F. began the fall semester with 45 members. On October 5, 1950, officers for the fall semester were elected and installed at a potluck dinner. The officers elected were: Karin Beskow, president; Dorothy Canelis, vice-president; and Anna Lee, secretary-treasurer.

On December 9, 1950 delegates with their advisors from thirteen schools met at Analy for the Northern District Conference. It proved to be a very interesting day for the C. S. F.'ers.

During December 1, 2, 3, Mary Fogh, Ellen Searby, Marilyn Taber, Charles Shere, and Rod MacKenzie attended the World Affairs Conference at Asilomar.

Twelve of Analy's C. S. F.'ers attended the Regional Conference held at Santa Rosa on April 7, 1951.

For the spring semester, the C. S. F. had a membership of 50. The officers for the semester were elected and installed at a potluck dinner February 8, 1951. The students elected were Rod MacKenzie, president, Pat Warner, vice-president, and Nancy Coombes, secretary-treasurer.

In May a swimming party was held. This was the last of the C. S. F. activities for the year.

There are eight life members and three novitiate members this year. The life members are Dorothy Morita, Dick Ament, Mary Fogh, Harold Hassold, Anna Lee, Ellen Searby, Harold Tillinghast, and Pat Warner. The novitiate members are Dorothy Canelis, Margaret Peterson, and Richard Sandretto.

The C. S. F. members appreciate the help which their advisor, Miss Weseen, has given them during the year.

GIRLS' LEAGUE

The first event of the year was the Big and Little Sister Party, which was held during the first week of school to welcome all freshmen and new girls to Analy. Games, entertainment and refreshments made it enjoyable and helped everyone to get acquainted.

Past-president Alice Hansen installed the following officers at an impressive candlelight service in September: Marilyn Taber, president; Mary Fogh, vice president; Valerie Saput, secretary; Barbara Bennett, treasurer; and Virginia New, songleader. The following committee chairmen were installed also and they introduced their committee members: Sylvia Henningsen, program; Shirley Hayes, hospitality; Mary Ballard, decorations; Ellen Searby, school activities; Jackie Garloff, refreshments; Dorothy Morita, projects; Etsuko Akutagawa, publicity and Helen Watkins, service.

Varied programs were held during the regular monthly meetings. These included Analy girls presenting entertainment and speeches, outside speakers and group singing.

Girls sold programs at home football games in order to raise funds, and after the games many girls served refreshments to the football players from Analy and visiting schools.

At Christmas time the Girls' League presented wreaths to all the teachers, decorated a Christmas tree in the library and collected gifts of food, clothing and toys for needy families of the community. The December meeting was a Christmas party during which Santa Claus came with gifts for girls who had recently come to Analy.

The Valentine candy sale on February 14 was a successful means of raising funds. Home-made candy was sold from an attractive booth in the hall that was well patronized by sweet-toothed Analy students.

The Girls' League purchased sterling silver pins which were worn by the officers and committee chairmen during the year and will be worn by the officers and committee chairmen in the years to come.

Everyone attending the turn-about dance on March 3 had a very nice time. The theme, "Spring Round-Up," carried out by cowboy decorations and refreshments, signified that it was the time of year for all girls to round up their men, and the dance was a big success.

On Friday the 13th, in April, the Girls' Jinx was given, and the theme, "Superstitious Beware," centered around good and bad luck. The junior and sophomore skits were the prize winners, and prizes were also given for the best costumes. Following the skits, the gayly decorated concessions were opened in the gym.

In place of the annual Mothers' Tea, an open house was held in the cafeteria during Public Schools Week. All mothers were given very lovely corsages and folk dancing was presented for entertainment.

The Girls' League helped to acquaint visiting eighth grade girls with Analy and entertained them with school talent, games and refreshments.

The interest, assistance and leadership given by Miss Lorraine and the cabinet were important factors in making this year's Girls' League activities successful and enjoyable.

WORLD AFFAIRS CLUB

The Analy World Affairs Club was started during the second semester of this year by a group of students who felt that they should know more about the world situation and foreign affairs.

Eight students sponsored by the student body, California Scholarship Federation, Parent Teacher Association and Girls' League attended the annual conference of the World Affairs Conference of Northern California at Asilomar December 1, 2, and 3. They were Don Starr, Harry Batlin, Marilyn Taber, Rod MacKenzie, Mary Fogh, Ellen Searby, Helene Von Metnitz, and Charles Shere. While they were at Asilomar, they decided that they wanted to organize a student world affairs council at Analy, and, led by Don Starr, consulted and received the approval of Howard A. Cook, director of the World Affairs Council of Northern California.

The faculty and spring student council sanctioned the organization. Miss Weseen became faculty sponsor. Analy now has the only high school world affairs council in California.

On January 31st the World Affairs Club presented Dr. Miroslav Kerner, a Czechoslovakian who has been forced to flee his country three times, at an assembly. Dr. Kerner described Czechoslovakia and the Russian regime. The assembly was followed by a meeting of students who were interested in the club, at which Harry Batlin and Ellen Searby were elected temporary president and secretary, respectively.

Dr. Robert West, who worked with UNESCO and CARE spoke at an assembly on February 20th and told about youth of the world and their problems.

On March 6th the club and its friends were very fortunate to have as speaker Mrs. Lee Ki Poong, wife of the mayor of Seoul, Korea, and Mrs. Chang Duk Soo, principal of a girls' school in Seoul. Their description of conditions in Korea made the war seem much closer to all who listened.

At another meeting after school on March 28th, Mrs. Ruth Gage Colby, who recently returned from teaching in the Near East, told of the problems of Israel and Syria.

A regular meeting was held on April 9th to elect officers. Don Starr was elected president; Harry Batlin, vice-president; Laulette Evans, secretary; and Karin Beskow, treasurer.

The World Affairs Club had a potluck dinner May 9th at which time Miss Henriette Bordenave, an exchange teacher from France, spoke of the situation and problems in her nation.

Other activities of this organization included the writing and ratification of a constitution, and a trip to San Francisco to hear a speech by Paul-Henri Spaak, Belgian Minister of Finance.

The Student World Affairs Club has done a great deal in its short life. It now has fifty charter members. Off to a flying start, it should go a long way toward making Analy students a more interested and enlightened group on foreign affairs.

BAND

The Analy Band under the direction of Mr. Kenneth Knight started the school year in fine spirit by marching at the football games.

With JoAnn Ihinger as head majorette, Roger Stange as drum major, and Toni Montedeoca, Carole Arnett, Jane Davis, Frances Frigerio, and Nancy Pera as "twirlers," our group took second place at the Armistice Day Parade in Petaluma.

Our band again appeared at the East-West football game, December 30 in San Francisco making a fine appearance.

On January 2 all members went to San Francisco to witness a fine exhibition by the Michigan marching band.

The concert on March 9 proved to be one of the best presented by an Aanaly organization in several years.

We all felt honored when Ladonna Schieber, Charles Shere, and Joe Rust were selected to play in the Music Educators' National Conference Select Band in San Diego during the Easter week.

The next concert was given April 25 for the parents and friends at the Open House program.

The County Festival, held May 8, proved to be another high point in the year's activities. Besides presenting their own numbers, the members enjoyed the programs given by the other schools.

Eighteen of our members participated in the Bay Counties Select Band in Vallejo, May 12 and 19.

The picnic on the river, an annual event, was a most enjoyable time for everyone.

The band ended a most successful year by playing at the graduation exercises on June 8.

DANCE BAND

The newest musical organization at Analay is the popular school dance band. This group was organized at the beginning of the second semester by Mr. Kesler. Practices were set for Monday nights. Members for the dance band were suggested by our instrumental teacher, Mr. Knight. Those chosen were Joe Rust, a junior, as solo trumpet; Steve Ito, a senior, second trumpet; and Bob Triebel, a junior, for third trumpet. Later in the year Steve found he had insufficient time so his position was filled by Wayne Collinsworth, a senior. Ed Knight, a freshman, is first trombone; Bob Hardin, a senior, and Donna Johnson, a junior, were selected for first alto saxophone; La Donna Schieber, a sophomore, plays second tenor saxophone; Marilyn Johnson and Merton Tyrrell, both juniors, play third alto saxophone; Dorothy Canelis, a senior, plays fourth tenor saxophone; and Sunny Hendryx, a junior, plays fifth baritone saxophone. Ben Haley, a junior, plays the piano. After several trial drummers, Bob Perry was selected to handle the drums.

Several new hit parade numbers were practiced, including "Tennessee Waltz," "Be My Love," "Thinking of You," "No Other Love," "All My Love," "Harbor Lights," and "Nevertheless." Several old popular stand-bys were brought out, such as "Jam Blues," "Bugle Call Rag," "In the Mood," "Dream," "Stormy Weather," and Glenn Miller's theme song, "Moonlight Sere-nade."

The first and only public appearance this year of the dance band was to furnish incidental music between the acts of the senior play.

Plans were begun for a large vaudeville show to be given May 25; however, an extremely full schedule was the reason this program was dropped from the list of ending school activities.

It is hoped that a dance band will soon be put in the regular curriculum of our school. The fact that we are losing only three of the present dance band members through graduation indicates promise for a continuance of a good dance band next year.

A CAPELLA

The a cappella under their new director, Mr. David Kesler, got off to a good start on November 18th when they traveled to Berkeley to participate in the Eighth Annual High School Singing Festival at the University of California. They sang three numbers: "It's Me, Oh Lord," "Dedication," and "Madame Jeanette." After a picnic lunch, the braver members of the choir sat in the rain to see the football game between California and the University of San Francisco.

On December 14 the a cappella made two appearances; one in the afternoon for a school assembly, and the other in the evening for the public. The songs sung at both performances were "Go Tell It On The Mountain," "Dry Bones," "Silent Night," and "We Wish You a Merry Christmas." The choir also participated in the play, "Why The Chimes Rang," put on by the dramatics department. They represented the church choir in the second act of the play.

For their Easter assembly the a cappella sang a group of numbers for the students.

The spring concert was held on April 20, with the choir singing "Set Down Servant," "Dry Bones," "The Rosary," "Dedication," and "Madame Jeanette." For the finale, the girls' glee and vocal ensemble joined with the a cappella to sing "Battle Hymn of the Republic."

For their part in Public Schools Week, the choir sang "Madame Jeanette," "Set Down Servant," and "Battle Hymn of the Republic."

The Sonoma County Spring Music Festival, in which eight high schools of Sonoma County and Santa Rosa Junior College participated, was held in Sebastopol on May first. The a cappella sang "Madame Jeanette," "Set Down Servant," and "Battle Hymn of the Republic."

F. F. A.

The Sebastopol F. F. A. boys have done a creditable job this year.

Most of the boys showed at Sonoma County, State, and Petaluma fairs, bringing home both individual and chapter honors. At the Cow Palace Junior Show, which was held in April, the chapter brought home a total of \$5,900 in prizes and sales from swine, sheep, and dairy. The chapter was also presented with the cup for the best pen of ten lambs exhibited at the show.

Officers for the fall semester were: president, Larry Clark; vice-president, Sam Little; secretary, Warren Johnson; treasurer, Dick Shone; reporter, Wayne Collinsworth; and sentinel, Gerald Green.

At the annual Agriculture Quiz Contest held in February, the chapter was represented by two winners, Carl Cox and Harold Hassold.

Don Ament represented the chapter in the sectional speaking contest held at Santa Rosa for the Future Farmers of Sonoma, Napa, and Marin Counties. Don received second place award on his speech, "Soil Conservation."

The judging teams took part in contests held in Santa Rosa, Petaluma, Lodi, Davis, Napa, San Luis Obispo, and the Cow Palace in San Francisco.

The Father and Son Banquet held on May 17, proved to be a success. Hearty congratulations were given to those who received cups and other awards.

Delegates to the state convention were Larry Clark and Gerald Green. At the convention, Bill Taber received high honors being named Star State Dairy Farmer, Regional Star Farmer, and was given his State Farmer Degree. Also the Sebastopol chapter was presented with its sixth year Master Chapter Award.

Others applying this year for the State Farmers Degree are Sam Little and Harold Hassold.

Officers elected for the spring semester were: president, Sam Little; vice-president, Wayne Collinsworth; secretary, John Emigh; treasurer, Harold Hassold; reporter, Larry Clark; and sentinel, Dick Shone.

Much praise and thanks go to our advisor, Mr. Ament and the shop instructor, Mr. Henry Davis. Through their hard work, the Sebastopol Future Farmer Chapter completed a very rewarding year.

AZALEA STAFF

Members of the AZALEA staff worked diligently at their assignments during the year. After the staff was chosen in the fall, it made important decisions concerning a theme, the layout of the book, and ways of financing it.

This book was made possible through the combined efforts of many energetic students and advice from Miss Jensen, Mr. Hohl, Mr. Sewell and Mr. Maggiora.

Producing the AZALEA requires much time and effort and is a very enjoyable and profitable experience for those who participate in this activity.

ANALYAN STAFF

The ANALYAN has been published each week of the school year by the journalism class with the help of their advisor, Miss Jensen. The staff has had special football, basketball and student council issues as well as one for Open House.

With approval by the student council, the journalism class has sent copies of the ANALYAN each week to Analy students and graduates who are in the service of our country. Papers have also been exchanged with schools in the N. B. L.

DRAMATICS

The dramatics classes started the year of 1950-1951 under the direction of Mr. Al Coenen, but the U. S. Air Force decided they needed him more than we did. Our sorrow over his departure was short-lived for he was ably replaced by Mrs. Mary Miller, under whose direction the dramatics group finished the year.

The first presentation, given on December 1, 1950, was a rather unusual play, "The Skin of Our Teeth," by Thornton Wilder. In the cast were Frank Strong, Elmer Cox, Shirley Hayes, Dick Hawk, Gerry Williams, Charlene Mazoue, Mary Whelan, Lillie Kirtley, Jackie Bradley, Harold Tillinghast, Jack Brownell, Richard Gambogi, Bob Perry, Foie Kimball, Gloria Moyle, Mary Senn, Toni Montedeoca, Jackie Scheuer, Barbara St. Martin, Nancy Pera, Nancy Coombes, Barbara Bennett, Joan Lee, Sharon Kellogg, Clarice Miller, and Nora Scott.

For Christmas, the music and dramatics departments presented a joint program on December fourteenth. The dramatics contribution was a two-act play, "Why the Chimes Rang." Ernest Ruch, Foie Kimball, Jackie Scheuer, Rod MacKenzie, Bob Perry, Richard Gambogi, Jackie Garloff, Wanda Williamson, Sylvia Henningsen and Dorothy Canelis were the participants.

After the start of the new year, work on the senior play began, but before very much progress was made Mr. Coenen left, and Mrs. Miller took over. The play, "Strictly Formal" by William Davidson, was a teenage mixup centering around a prom and two girls, Jane and Sally, who are trying to get dates for it. Their slowly succeeding efforts are halted by a city girl, Marcia, who steals all the boys. The plot is further complicated by the entrance of a daffy country cousin, Cindy. The sub-plot centers around the rival neighbors who raise tulips and are competing to win the grand prize at a local flower show. Presented on April 5th and 6th, the senior play was a great success and was enjoyed by everyone.

In the cast of "Strictly Formal" were Valerie Saput, as Jane, Virginia New as Sally, Jackie Scheuer as Agnes, Rod MacKenzie as Andrew Cutler, Marilyn Taber as Nettie Cutler, Clarice Miller as Rose Tilton, Glorya Lund as Mrs. Tilton, Mary Whelan as Josie Tilton, Bob Perry as Mr. Ahern, Ronnie Perry as Jim, Harold Tillinghast as Elroy, Dave McLean as George, Dorothy Canelis as Marcia, Sylvia Henningsen as Cindy Collins, Gladys Ginesi as Marilyn, and Dick Gombogi as Lt. Bob Cunningham. In addition to the regular performances, a preview of it was given for the student body and a shortened version was presented for the visitors at Open House in connection with the study of how plays are given.

After the flurry and excitement of the plays died down, the two dramatics classes began the study of the history and management of dramatics. Work was also done on skits, one act plays, and other entertainment suitable for assemblies.

Walt Foster

Leo Whalon

Coaches Walt Foster and Leo Whalon's 1950 version of the Analy Tigers put out with both high and low performances during a fairly successful season on the gridiron. Nevertheless, with only an average record behind them, our boys came up with an astounding victory over our arch rivals, the Santa Rosa Panthers.

Dedication of Analy's new stadium started off the season with a game in which the Tigers met the Petaluma Trojans. During the contest, the Tigers had numerous opportunities to grasp victory but fumbled their way into a 13 to 13 tie. Al Lefor, Elmer Cox, and Jim Pete showed up very well for Analy.

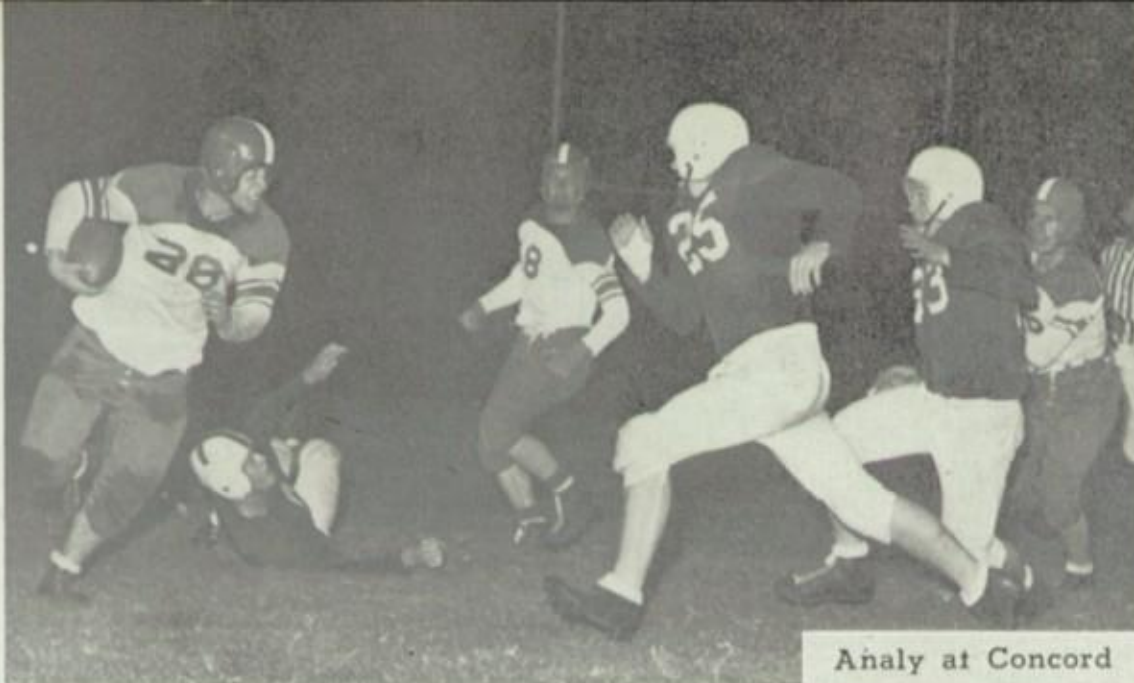

Our boys were nipped in their second appearance by a strong Mt. Diablo High team at Concord by a 31 to 12 score. Floyd Roberts, Dick Hawk, and Ron Perry played a stylish brand of ball for the Tigers.

In the third, and final, practice game the Tigers showed their white, shiny fangs to a visiting Sonoma Dragon squad to the tune of 32 to 12. Among the many backfield stars who burned up and down the Analy stadium turf, Jack Totman, Bob Hardin, and Dick Ament provided the main scoring punch.

The Napa Indians were the Tiger's next visitors. Our Analy gridders played a fine Indian

"A" CLASS BASKETBALL

The Analy Varsity, under the leadership of Coach Dolan Evans, had a fair season this year, winning eight practice games and losing six. They defeated Sonoma once, Ukiah twice, Healdsburg twice, Armijo once, Lakeport once, and Petaluma twice. They lost to St. Ignatius once, Geyserville once, Galileo once, and Marin Catholic once.

The Tigers opened the league on the local court against Vallejo. The Apaches' superior height paid off, and they went home victorious, 52-37. The Tigers were paced by All-League forward Dick Ament, who made thirteen points. Dick Gambogi, who played center, made ten points and played well under the hoops.

In their second bid for victory, the Tigers traveled to Tamalpais. Again superior height paid off, and the Tigers were downed 53 to 44. Analy led throughout the first half but could not match Tam's speed in the last two quarters. Accurate shooting by Dick Ament, Ron Perry, and Wayne Collinsworth carried Analy through the game.

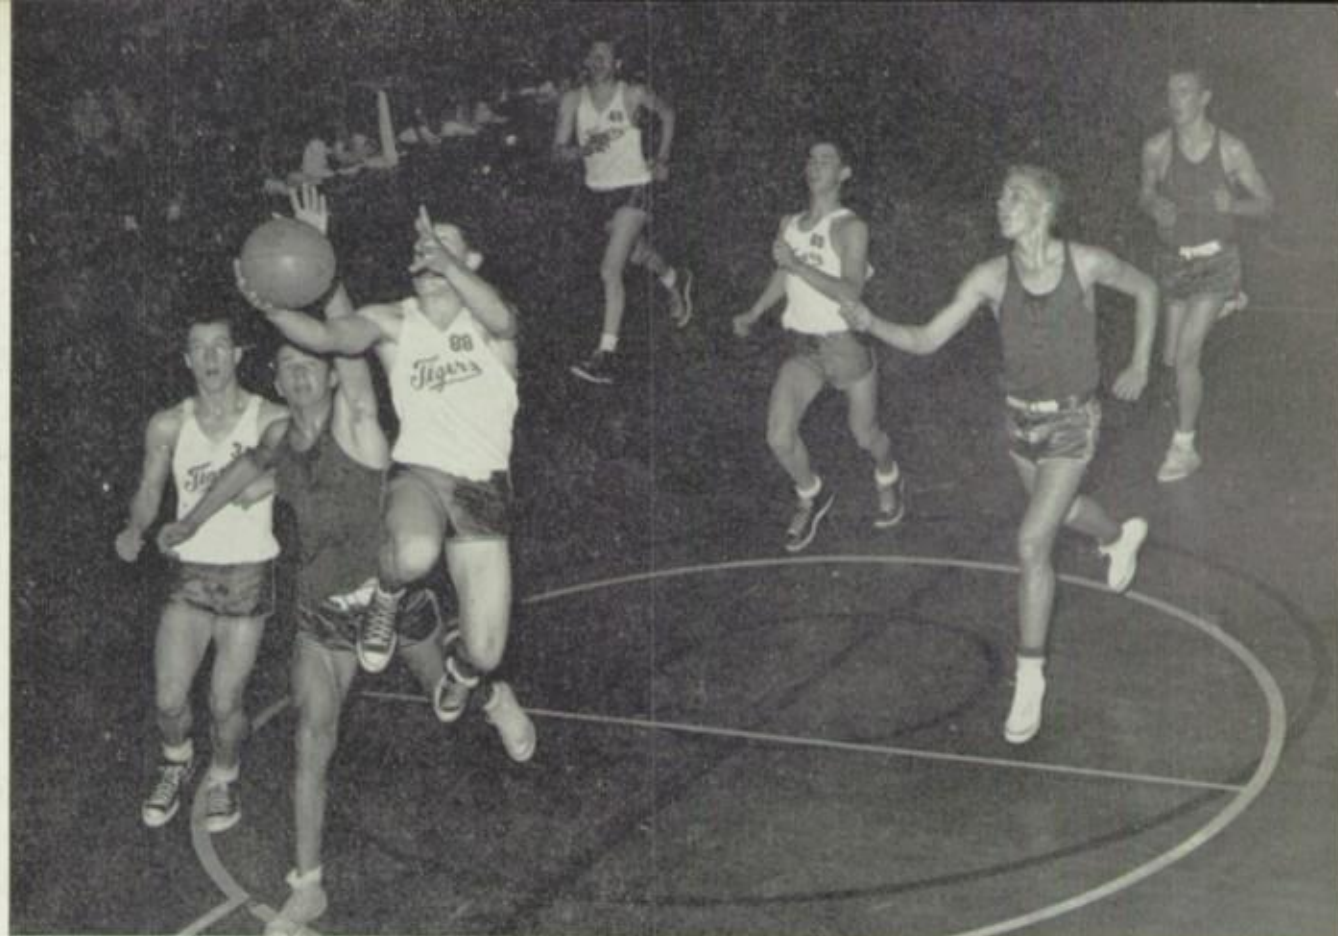

In their third league game, Analy captured its first league victory by defeating Petaluma. The Tigers led most of the way, but in the fourth quarter Petaluma tied the score. Dick Gambogi pulled Analy through by sinking a field goal. Don Gomez added a free throw as the buzzer rang, and Analy emerged victorious, 28-25. Dick Ament and Don Gomez paced the Tigers with twelve and nine points respectively.

The Tigers trekked to Napa for their fourth North Bay League contest. Napa outscored the Tigers but didn't outplay them, as they went on to win 47-36. Dick Ament again led the Tiger scoring parade with eleven points. Ron Perry sank ten points, and Don Gomez followed with nine.

The annual big game with Santa Rosa was the next highlight of the season. The Tigers went into the game still smarting from the loss to Napa. The Blue and Whites fought hard, and

"B" CLASS BASKETBALL

During the 1950-51 season, the Analy Tigers, under the direction of Coach Walter Foster, had a fairly successful season. With only a few veterans returning to the ranks, Coach Foster had a big job getting the squad in shape. Throughout the practice games, of which the Tiger Cubs won their share, Coach Foster relied on the few available experienced players he had. But as trouble began to mount, he switched to a new combination of inexperienced but hustling Cubs.

For the most part, the first games were played by: forwards Ed Felciano and Jim Higgins; guards, Steve Ito, Bob Wiltermood and Dick Goodman; and centers, Bob Walker and Jim Lewis. In the latter part of the season, forwards Terry Lutz and Bob Walker, center Ernie Jarvis, and guards Bob Horn, Bob Wiltermood, Bob McDonell and Carl Cox spearheaded the Tiger attack. These boys, though they failed to finish at the top, played hard and aggressive basketball, and gave a satisfactory account of themselves in every game.

"C" CLASS BASKETBALL

The Analy "C" basketball team opened league play on October 12, 1950 against San Rafael. Coach Dolan Evans' team played good ball throughout the game, but San Rafael won out in the final seconds, 17-16. Coy Deal was high point man with six points.

In their second league game, against Santa Rosa, the Tigers lost 33-25. Coy Deal was again high point man with eleven points.

Tamalpais was the next team on Analy's schedule. The Indians forged ahead at the opening buzzer and maintained their lead to the final whistle. Jim Yokoyama, Coy Deal, and Jim Abeel sparked the Tigers.

In the last game of the season, Analy engaged Petaluma in the battle for the "cellar." Stanley Daveiro and Jim Yokoyama paved the way for the Tigers, and they emerged victorious, 28-17.

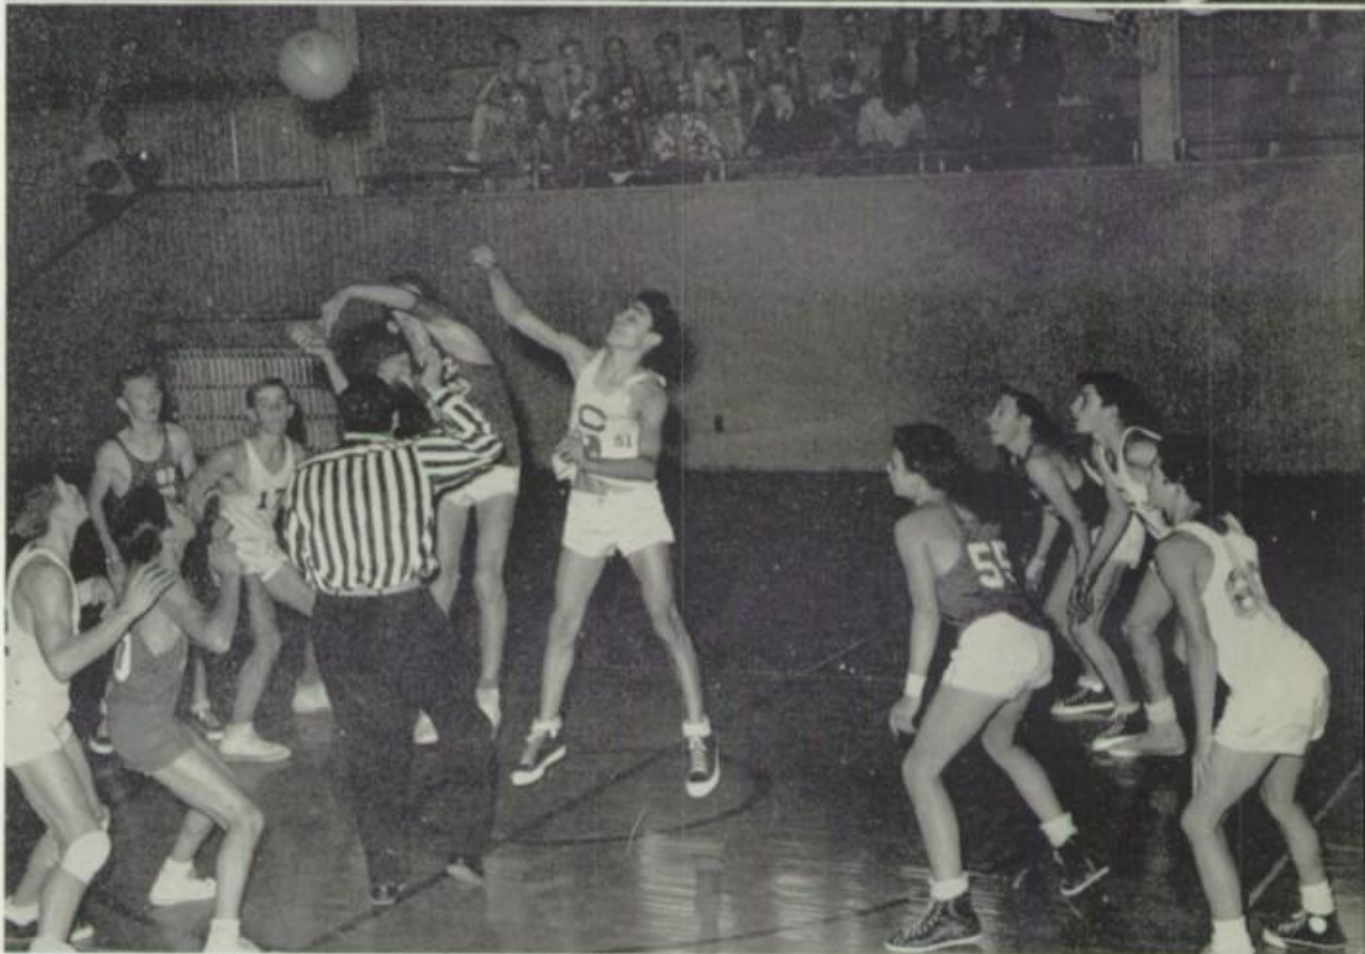

The first string consisted of Jim Yokoyama and Ted Goldbeck, forwards; Stanley Daveiro, center; and Coy Deal and Jim Abeel, guards.

With the exception of two veteran players, the team was without experience but displayed much ability on the hardwood.

BASEBALL

To date, with ten of twelve league games completed, Analy's 1951 baseball season has proved to be an exciting, close succession of games, but altogether, it has been a rather disappointing year. Of the first eight league games played, one run decided the issue in five of them, and two runs turned the trick in one other game. The Tigers dropped four of these five one-run contests, including a 10 inning game with Tam, and a 1-0 battle with Vallejo.

They lost to Tam 5-4 in 10 innings, beat Santa Rosa in a 6-5 thriller, lost to San Rafael 5-4, dropped a 1-0 game to Vallejo, and bowed to Napa 3-2. In their other five games the Tigers beat Vallejo for the first time in years, 3-1, bowed to Tamalpais and Santa Rosa, 10-4 and 10-3, and walloped Petaluma 11-6 and 11-0. With two games left to play, Analy can improve its league standings to a .500 mark, and hopes are high that such will be the case.

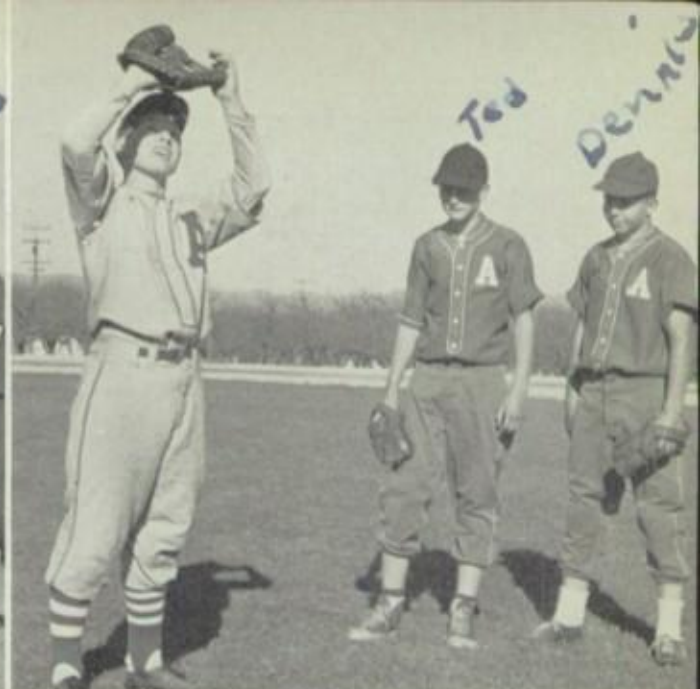

The Tiger line-up for 1951 found five regulars returning to the line-up in the persons of Bill Maddocks, right-fielder, Wayne Collinsworth, first base, Roy Heathershaw, second base, Dick Ament, short-stop, and Ron Perry, pitcher. Up from the ramblers were Troy Long, third base and pitcher, Marvin Mays, third base, and Don Gomez, center field. Jim Pete, left field, and freshman Bill Gori, catcher, were newcomers to Analy baseball.

TRACK

The Analy track squad, under the coaching of Mr. Walter Foster, did well this year by winning the "C" championship of the North Bay League and taking third in the "B" class.

In the first meet of the season at El Cerrito, Bob Foster broke the class "A" pole vault record by going 12' 6" to take first place.

At Martinez, the pole vault relay team of Bob Foster, Ken Williams, Carl Cox and Allen Jolliff, took first place with a combined effort of 42'.

The next big meet was at Davis. Analy took second in "B" schools with Angelo Torre taking first in the 440 yd. dash, and Bob Foster winning the pole vault. Dick Ament took a second in the 220. The 880 relay team also placed second.

The Tigers showed power in the sub-league meet at Santa Rosa on April 27, by placing second in both the "A" and "B" sections, and winning the "C" class.

At the big N. B. L. meet in Petaluma on May 8, the Tigers won the "C" division and placed third in the "B" class. Steve Ito won both the 50 and 120 yd. dashes for the "C" class, and sparked the 440 yd. relay team to victory. Coy Deal placed in the 50 and 120. Don Pitt won the 8-lb. shot-put, while Yoshi Onoyama won the 120 low hurdles and Jim Yokoyama placed second in the high jump. The "C" relay team consisted of Coy Deal, Don Pitt, Yoshi Onoyama and Steve Ito.

Carl Cox won the "B" class pole vault. Ken Williams and Al Nott also placed in this event. Jim Higgins placed second in the 330 yd. dash, and Victor Dotti placed fourth in the 660 yd. run. Gerald Green placed fourth in the 150 and fifth in the 75 yd. dashes. In the "A" class, Bob Foster took first in the pole vault, Angelo Torre placed third in the 440 yd. run, and Dick Ament placed fifth in the 100 and 220 yd. dashes.

Bob Foster, who has been rated as one of the best prep pole vaulters in California this year, was the only Analy athlete to enter the Fresno State Relays on May 12. Bob took first place in his favorite event, at 11' 6", and walked off with the Cornelius Warmerdam Memorial trophy.

TENNIS

The 1951 tennis team ended the season with 25 matches won and 25 lost. Although this is only a 50% average they have done well, as this is their second year in the first section of the North Bay League. The team was composed of seven members, three who played singles, and four participating in doubles.

Under the guidance of Coach George Bergen, the netsters lost to Santa Rosa 3-2 twice, to Petaluma 3-2 twice and to Tamalpais 3-2 twice, but took San Rafael 3-2 two times and Napa 3-2, 4-1 to end their league competition with a 50% average.

They played five practice matches winning all of them, and even taking Santa Rosa Junior College, 4-3.

On April 28 the Tigers attended the Napa Invitational Tournament in which Dick Gardiner received a cup for taking second place in third singles.

Earlier in the year the school sponsored a tennis tournament to stimulate interest in tennis. More than thirty students entered. Dick Gardiner won the singles trophy with Harold Hassold taking the runner-up medal. Don Starr and Ron Crawford took the doubles, while Bill O'Connell and Carl Dawson received runner-up medals.

A second team was fielded this year and played three practice matches, two with Sonoma and one with Tomales. They lost to Sonoma twice, 4-1, and beat Tomales once, 3-1.

Players on the varsity were: first singles, Don Starr, second singles, Ron Crawford, third singles, Dick Gardiner; first doubles, Carl Dawson and Bob Wetch, and second doubles Bob Nielsen and Harold Hassold. Alternates were John Pelmulder and Lynn McLean. The second string included Elbert Bressie, Vernon Hoddap, Lowell Dawson, Edward Searby, Dick Kohler, Rod Matthews, Ronleigh Dale and Glenn Newton.

team on an even scale, but lost through failure too convert, 14 to 12. In this game, Steve Ito, Henry Bohn, and Don Starr led a rugged Tiger defensive team to an impressive showing.

After taking an early lead, the Tigers faltered in their second appearance against the Petaluma Trojans to lose 27 to 7. Troy Long, Dick Hawk, and Warren Johnson gave out with one of their better performances.

An undermanned Analy team took the field against Vallejo's Apaches, only to be completely outclassed 48 to 0. Vallejo, later to claim league championship honors, put a number of our fellows on the sidelines.

Again at home, the Blue and Whites proved to be poor hosts to a weak San Rafael High team. The Tigers were never threatened as they won easily, 27 to 6. Tom Engleman, Rudy Tulipani, Roy Ottolini, and Herman Green led an aggressive Tiger line, while Gerry Green led a flying Tiger backfield.

Analy reached its all-time high in the rough and tough Santa Rosa-Analy rivalry when it astoundingly outclassed the Panthers on the latter's own home field. The 19 to 6 score might not sound like a huge triumph, but it could just as well have been 190 to 6 from the action that took place that night. A very happy aggregation of players and fans returned to the Tiger's stomping grounds, and because of this triumph, the Tam game, which had been cancelled because of rain, was never missed.

"A" CLASS BASKETBALL

(Continued from Page 54)

never more than four points separated the teams during the entire game. The regular game ended in a deadlock, 39-39. In the overtime period, Santa Rosa sank three quick points while Analy was unable to hit the hoop, and the score ended 42-39. Don Gomez had fourteen points and Wayne Collinsworth, nine.

In an effort to salvage the last game, the Tigers traveled to San Rafael. The team, behind the shooting of Dick Gambogi, scored an easy 36-29 victory in a foul-filled game. Dick Gambogi counted twelve markers to take scoring honors.

Altogether Analy won two league games and lost four. The first string consisted of Dick Ament and Don Gomez, forwards; Dick Gambogi, center; Ron Perry and Wayne Collinsworth, guards. Roy Heathershaw was a capable substitute on the team and played well at any position.

G. A. A.

Officers for 1950-51 elected by the G. A. A. members were: president, Dorothy Morita; vice-president, Valerie Saput; secretary, Donna Johnson; treasurer, Etsuko Akutagawa; eligibility chairman, Jackie Garloff; and yell leader, Mary Re.

The program for G. A. A. this year started off with a big bang with hockey, but this ended in a drip. It was possible to have only two practices before the wet weather forced the sports minded girls indoors.

The captains of the volleyball teams were: seniors, Doris Rowe; juniors, Beverly Warner; sophomores, Joyce McCuan; freshmen, Verda Doty. In the play-offs, the seniors came in first with flying colors while the juniors and the sophomores tied for second place.

In basketball, the captains of the teams were: seniors, Sally Bell; juniors, Marie Sugiyama; sophomores, Nancy Robertson; and freshmen Angela De Mattei. Again the seniors came in first without much trouble in the final games.

Initiation for new members was held in March when fifteen girls went through the routine of joining the organization. During the day at school, they had to wear football helmets, jerseys and shoulder pads, and short skirts. They certainly couldn't be mistaken in this garb and with the initials G. A. A. printed in lipstick on their foreheads. In the evening, initiates as well as members enjoyed a tasty dinner.

May 12th was play day. The seniors and juniors went to Santa Rosa Junior College, while the sophomores and the freshmen went to Petaluma High School. In the afternoon all met at Petaluma to go swimming. Analý's sophomores gave a skit during the entertainment period, and Mary Re led the group in yells.

The season was ended with baseball.

BACK ROW (left to right) Miss Tarchini, Nancy Robertson, Virginia Jarvis, Gwen Higinbotham, Deanne Dixon, Emily Martinelli, Ruth Winkler, Marian Hodges, Della Ballard, Miss Thompson.
 SECOND ROW: Verda Doty, Doris McAlvain, Ruby Vaughn, Carolien van der Star, Frances Johnston, Sue Abbott, Chiyono Yamamoto, Judy Mukaida, Judy Valentine, Beverly Taft, Norma Jean Helgren.
 THIRD ROW: Frances Frigerio, Joyce McCuan, Laulette Evans, Claudia Gonsalves, Bobbie Ingraham, Nancy Peterson, Angela DeMattei, Carol von Metnitz, Rose Morita.

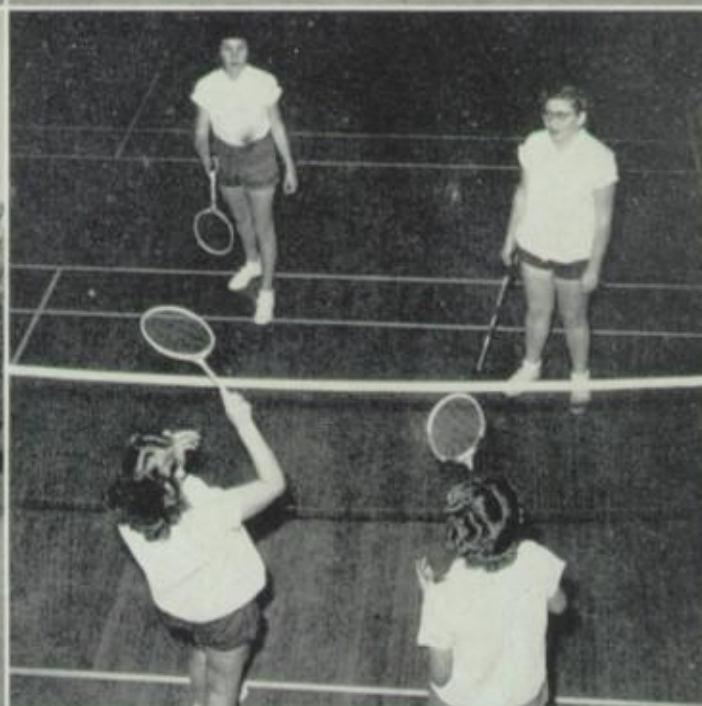

GIRLS' SPORTS

The first eight weeks of the school year were wonderful for those who really liked swimming. This year junior and senior life saving were not offered.

During the rainy season the girls were folk dancing and practicing calisthenics. Among the new dances learned were "Jessie Polka" and "Canadian Barn Dance." In calisthenics, the students did everything from push-ups to jumping jacks. In the first few days it wasn't a bit unusual to see the girls limping; no doubt they were stiff from using "new" muscles.

Soccer and marching were attempted but rain forced the gym classes to give them up. Volleyball lasted for about a month and a half. The classes were divided into teams which provided much competition within each period. New teams were chosen for basketball in March which the girls continued to play until the first of May. Softball, tennis, and archery finished out the season. This year the girls had a softball diamond on the football turf besides the one on the upper field, so it was possible to have two games played at the same time.

The girl who won the athletic medal for outstanding sportsmanship and ability last year was a freshman, Nancy Robertson. Dorothy Morita, a junior, received honorable mention. These awards were given out the day before school closed last June, consequently could not be included in last year's Azalea.

GROWING OLDER

True, she's a year older, but still she wants you to remember her birthday—not her age, mind you, just her birthday. Call Analy Florist and send flowers—beautiful flowers that will remind her how swell it is to spend the years with you. Yes, even at the expense of growing older.
